## THE X FOR EXCEPTIONAL LIVING

Origin X is a unique residential project developed after completing many successful projects in East Ahmedabad.

The 'X' in Origin X represents its location, right at the corner of a 24mtr and 30mtr wide TP road junction. This prime crossroads gives you a natural advantage and an edge in connectivity.

Origin X stands out for creating spaces that residents can feel proud of and enjoy with joy for years to come.

## ART OF LIVING, ACT OF CARING

We're taking a small but meaningful step toward building civic sense within our community. We follow a strict

**NO SPITTING, NO SMOKING, NO LITTERING CULTURE**

to protect the dignity of every shared space.

We believe that our children deserves a cleaner tomorrow.

THESE FEATURES MAY BE SMALL ADDITIONS,  
BUT THEY NURTURE A CULTURE OF AWARENESS,  
RESPECT, AND COMMUNITY PRIDE.

### Drinking Water Refill Station

reduce plastic waste, refill,  
and refresh

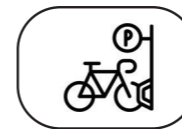

### Chalk Wall / Community

## LIFESTYLE, REDEFINED FOR THE REAL.

The affordable segment often compromises on design. We bring high-end aesthetics and intelligent space planning to homes that are truly accessible.

Your purpose in buying a home is to provide safety, security, and joy for your family. We respect that deeply, which is why we create spaces which will stay with you and your generations.

UNINTERRUPTED  
VIEWS.  
UNFILTERED  
BEAUTY.

The design of the balcony stands out in this segment. We have focused on providing you with stunning views of the outdoors, rather than just your neighbour's house.

We believe that high-rise living should be fun, as you experience beautiful sunrises and sunsets from the comfort of your own home.
